

Water restrictions – Pittsworth and Brookstead Water Supply Schemes

Pittsworth and Brookstead Water Restrictions summarised

The following water restrictions apply to all areas connected to the Pittsworth and Brookstead Water Supply schemes.

Uses	Water Management Roster
Hand-held hosing ONLY	Permitted at any time
Council approved drip or micro-spray irrigation systems	Permitted at any time
Use of all sprinklers, unattended hoses, spray lines, irrigation lines and similar	ODD numbered properties – Mon, Thurs. 7am-10am and 5pm-8pm. EVEN numbered properties or properties without numbering, or outside town area – Tues., Fri. 7am-10am and 5pm-8pm.

Please note: All residents are urged to minimise water usage at all times to preserve existing supplies. Private bore water users are also requested to reduce usage where possible as aquifer levels throughout the region are steadily falling.
